

## **Requirements for becoming a Professional Intuitive Life Coach (PILC) through the Program with Joan Marie Whelan**

### **Becoming Certified with PILC**

The Certified Coach Program is a 10 Month comprehensive personal training and coach training course offered by the *Professional Intuitive Life Coach* (PILC). **This comprehensive course of 120 hours is designed so that the students can navigate through their personal and professional life and work experiences with ease and purpose so that they will be better equipped to help others do the same. Uncertainty and fear are two of the greatest blocks that stop people from reaching their full potential. How to handle and maneuver through these rough waters determines the success of your life.**

Those students who are attracted to the field of coaching are so inclined because they have been unofficially coaching for years. They are ready to become a professional life coach and earn a great living for what comes so naturally to them. They have realized that their own life experiences have actually prepared them for this noble end.

As you learn to help yourself gain clarity in your life and acquire a deeper understanding of "what makes you and your life tick," you will be better equipped to help others. Learning to tune into your internal qualities and techniques that will enable you to solve problems and to develop the competency to fulfill your dreams. These skills are highly sought after and are definitely rewarding not only for you but for your clients.

An individual of this caliber does not need to study for 2-4 years to be fully trained and launch their practice. As with all training organizations that offer certification, we are certifying you in our program based on your demonstrated skills as learned in our course.

In this program the student will be required to participate and fulfill the requirements for Presentation and Platform Skills. A written examination is also required to be completed before the completion of the program.

Bringing balance and harmony into your life is required first before you are able to achieve that for your clients. We will be working on all the 6 areas that concern these issue: Family-relationships-business-financial-health and

By working with Joan Marie, a Master Intuitive and Life Coach, she will be with you for the next 10 months giving you support, encouragement, insightful wisdom and perception into your inner most needs.

When you complete the Professional Life Coach Program and all the graduation requirements, you receive your credentials through Professional Intuitive Life Coach (PILC). and have earned the right to call yourself a Professional Intuitive Life Coach (PILC), using after your name as your credential. Unlike other coaching schools your fee for certification is included in the tuition.
